Master Program	Software Engineering
Master Type	<input type="checkbox"/> M1+ M2 Professional <input checked="" type="checkbox"/> M2 Professional <input type="checkbox"/> M2 Research
Teaching Language	<input type="checkbox"/> English <input type="checkbox"/> French <input checked="" type="checkbox"/> Mixed - English & French
Place of Teaching (Campus)	<input type="checkbox"/> Hadat <input type="checkbox"/> Fanar <input checked="" type="checkbox"/> Tripoli <input type="checkbox"/> Nabatieh
About the Program	The Master's in Software Engineering program aims to develop experts in designing, validating, and deploying high-quality software for both centralized, distributed and mobile environments. This comprehensive program equips students with the practical knowledge required to thrive in the professional world. It addresses the growing demand for skilled professionals in Lebanon and the Middle East, where service companies are rapidly expanding. These companies need to meet international standards by mastering advanced concepts and techniques such as object-oriented programming, component-based development, distributed systems, and artificial intelligence practices. Additionally, the program emphasizes the acquisition of essential business skills, including managing large-scale projects and implementing quality assurance practices.
Program Learning Outcomes	<ul style="list-style-type: none">• knowledge of the latest innovations in the field.• Student will be exposed to the software development market through the internship that is part of the program.
Fields of Work	Software analyst, Software developer, project manager, database administrator.
Admission Requirements	GPA: Minimum GPA of 55/100 for students from Lebanese University Minimum GPA of 3.2 for students from outside Lebanese University Major: <input type="checkbox"/> Chemistry <input type="checkbox"/> Biochemistry <input type="checkbox"/> Animal Biology <input type="checkbox"/> Plant Biology <input type="checkbox"/> Math <input checked="" type="checkbox"/> Computer Science <input type="checkbox"/> Electronics <input type="checkbox"/> Physics <input type="checkbox"/> Please add other accepted majors if applicable
